

WHITE PINE charter school

Welcome to the **White Pine Middle School Experience!** With our smaller class sizes, dress code, and emphasis on character, you will be part of a warm and safe environment. Our administrators, teachers, staff, and volunteers work in a collaborative setting where they plan exciting, hands-on learning utilizing our **Core Knowledge** framework. Technology, engineering, and Spanish will be put into practice in our new **Exploratory** class. With the amazing support we receive from the community and our superb teachers and staff, the sky is the limit at White Pine!

About the Team:

- **Mr. Crisler / Social Studies:** A graduate of Near Eastern studies who speaks Arabic and utilizes AP techniques when analyzing the different histories and cultures that are explored in grades 6-8.
- **Mrs. Hansen / LA:** With a Masters of Arts and Theater, Mrs. Hansen brings extensive experience in drama, literature, and grammar and has taught for thirteen years in high school and college.
- **Ms. Croft / Math:** Has experience teaching math at all grade levels, but this self proclaimed 'math geek' and graduate from ISU loves teaching math to middle school students most of all!
- **Mrs. Branter / Exploratory:** A graduate of the University of Idaho who has been in education for the past five years is thrilled to utilize her professional and teaching experience for Exploratory.
- **Mr. Strom / Science:** This graduate from Stanford has extensive experience in teaching and administration and firmly believes that 'science is doing.'

Other Features of our Middle School:

- After-School Athletics & Clubs
- Technology Focus
- Academic Competitions
- Student Council & Leadership
- Differentiated Instruction
- Advisory

Our Vision

To create a dynamic and challenging educational institution with high academic standards, providing all students opportunities to develop into motivated learners, analytical thinkers, and competent leaders. To effectively utilize research-based practices and provide a progressive learning environment which maximizes student achievement. To practice a positive and compassionate teaching environment in which educators communicate, share and grow in a professional learning community focusing on unlimited potential for all students and educators.
