Teachers, Parents, and Students— Together for Success

Teacher/School Responsibilities

Parents can expect to receive regular communications or announcements from their student’s teachers. Some teachers may opt to use web-based programs (i.e. Edmodo, Class Dojo, Remind, etc) as supplements to standard means of communication (ie. email).

Our digital record-keeping system, PowerSchool, is accessible to parents online. Student records available for parent viewing include attendance, grades, assignment descriptions, bulletins, etc. Families new to White Pine or those who need direction on how to navigate the platform may reach out to the school office for assistance. A link to PowerSchool can be found on our [website](#).
